TO: Scott "Q" Marcus

Dear Scott,

I just wanted to drop you a note to THANK YOU for presenting for the Ohio Chapter of the National Speakers Association. I'm in my 26th year of presenting and I found your presentation to be one of the most invigorating, useful sessions I've ever had the pleasure of attending! Anyone who says, "There's nothing new under the sun" has never heard your message! The whole concept of sculpting is absolutely fascinating and opened my eyes and my mind to infinite possibilities for use in my presentations. I believe that engaging the audience in the way that you taught us is the wave of the future. You teach cutting-edge concepts that anyone who is serious about not only staying afloat in the speaking business but thriving in this fast-paced world NEEDS to hear!

I also appreciate hearing your amazing weight-loss journey. You are a THINspiration for sure!

Keep spreading your valuable information and sharing your gift! I'm so grateful I was fortunate enough to hear you present. Best of luck in all of your endeavors!

Sincerely,

Kay Frances, MBA
