Sigrid Weir, President

Dear Scott,

A special thank you comes your way from our Farthest West Chapter members who were in attendance at our February 15th meeting at OH's Townhouse. You shared with us the "Seven Lessons of Prosperity."

I believe each of us went home that evening with positive ways to ensure personal prosperity and also knowing that we are truly blessed with prosperity.

Your presentation was fun and inspirational as you shared your experiences which we could personally relate to. You have a special creative talent in sharing your enthusiasm and compassion for others.

Thank you for being a part of our evening and giving of your time.

Sincerely,

A handwritten signature in cursive script that reads "Sigrid Weir". The signature is written in black ink and is positioned above the typed name and title.
